

## Mutant Components

- |                |                    |
|----------------|--------------------|
| Diploid        | Diploid + Chr11Amp |
| IRA1           | other              |
| NotSequenced   | CYR1               |
| PDE2           | Diploid + IRA1     |
| Diploid + IRA2 | RAS2               |
| GPB2           | TOR1               |
| IRA2           | KOG1               |
| GPB1           | TFS1               |
